- 7 Returns:** *Unframed specialty shapes only.*
YES = Include returns on the specialty shape.
NO = Do not include returns on the specialty shape; or inside mount (IM).

Returns on quarter circles and extended quarter eyebrows are both vertical and horizontal, as shown at right. If a return is desired in one direction, but not in the other, indicate this in Special Instructions.

Note: Returns add 1/2" per side or 1" overall. Returns are not available on T1 - T4 specialty shapes or inside mount applications.

- 15 Measurements and Overlaps:**
Identify opening # and specialty type in space provided. Enter appropriate A, B, C and D measurements.
- A = Opening Width
B = Opening Height
C = Opening Rise
D = Opening Center Height
- Supply drawings as needed.
- For outside mounts (OM) only, use the overlap at right to determine the overlap of the shape around the opening and the ordered width for pricing.
- Width for Pricing** = Opening width plus the left and right overlap.
