** Plug-in options: Please select only one option per shade. The Large Quiet Motor is available in all options listed. The Small Quiet Motor is available with either the 6ft wire without plug or the 12ft with plug. For the SQM, if the 12ft cord with plug is selected, no additional Power Supply is necessary.*

*** Optional Power Supply: For Small Quiet Motor, if the 6ft wire without plug option is selected, either the 5-AMP or 10-AMP power supply must be used. The 5-AMP power supply can be used with two shades, the 10-AMP can be used with up to four shades.*

**** Wireless Control: For a 5 Channel Wireless controller, please specify program channel.*

***** Cassette system not available with fascia and pocket.*
